

# WESNET

The Women's Services Network *presents...*

## 3rd Annual Technology Safety Summit

6-7 September 2018, Gold Coast, Australia

*Attend the pre-conference workshop*

### INVESTIGATING TECHNOLOGY-FACILITATED ABUSE

5 September 2018 | **law enforcement only**

*Do you need:*

- Up-to-date knowledge of how perpetrators misuse technology to stalk and abuse?
- Strategies on investigating tech-facilitated domestic violence and other crimes against women?
- To know how to help victims of tech abuse?

*Delivered by:*

- Detective Bryan Franke, an expert in digital investigation and cyber crime. 30-year veteran Longmont Police Department (Colorado, USA) & Founder of 2CSolutions.
- Technology safety and domestic violence experts from WESNET and Women's Legal Service NSW.
